

PSHCE: Relationships

TEAM (Together Everyone Achieves More)

In PSHCE over the last half term, we have been thinking about being part of a team, especially our class 'team'. We have discussed what makes a team work well together, working collaboratively, compromising and how we can show others we care.

Below are some challenge cards which tie up all of the work we have been doing. There are a range of activities you may like to have a go at, with some suggestions of how to present your ideas - or you can choose your own way – we don't mind!
