

THE ROMANS

We've learned a lot about the Romans over the past few weeks and as it's now only 6 days away from December we'd like you to:

Design and make your own Romans advent calendar.

To show off your knowledge of the Romans, your advent calendar needs to feature Roman numerals on the doors instead of our numbers.

Behind each door we would like you to put something that is Roman linked – it could be a picture of a gladiator, Roman caligae (how good's your Latin – can you remember what they are?!), a Roman centurion, Julius Caesar ... or anything that's linked to the Romans. Feel free to do some extra research on the internet.

This isn't an activity that you will be able to complete in an hour, so use around about $\frac{1}{2}$ to $\frac{3}{4}$ an hour each day this week (giving you about 2 - 3 hours in total) to design and make your advent calendar. Upload a photo when it's finished and we'll share these together when we're able to return to school.

Enjoy learning about the Romans!
