

# HOW TO DRAW

# Astronaut

Step-1

Step-2

Step-3

Step-4

Step-5

Step-6

Step-7

Step-8

Done!

## **Drawing instructions:**

**Step 1.** Draw a circle as the astronaut head.

**Step 2.** Draw the upper space suit.

**Step 3.** Draw the hands.

**Step 4.** Draw the left side of the lower space suit.

**Step 5.** Draw the right side of the lower space suit.

**Step 6.** Draw the feet.

**Step 7.** Draw the helmet glass.

**Step 8.** Draw the zipper on the suit. Then draw the back pack. Done!

The astronaut drawing is finished.

Can you draw a background to include the moon, planets, stars, rockets or maybe alien life forms?!
