

Can you now write a paragraph describing the spaceship's landing and the alien's appearance which includes as many of these things as possible:

3 x relative clauses

1 x -ly sentence opener eg Gradually, Deliberately

1 x fronted adverbial sentence opener eg In the middle of the night, On top of the building, With a loud explosion,

2 x adverbs (words that explain how something happens – they often end -ly)

4 x strong, interesting adjectives (describing words)

3 x strong verbs (action / doing words)
