

Emoji Square and Cube Numbers Colouring

Colour in the squares according to the key below. Use your square and cube number charts to identify which squares need to be which colour.

- Cube numbers greater than 250 = red
- Cube numbers less than 250 = black
- Square numbers = yellow
- Any other number = whatever colour you prefer

Two numbers fit into both square numbers and cube numbers – decide which colour you think would be best.

2	29	41	1	64	49	144	13	85	72
60	36	64	25	16	4	16	36	81	3
9	27	1	125	9	49	216	8	27	64
64	216	64	27	121	4	1	64	216	49
16	8	125	8	16	9	27	8	125	4
9	81	36	4	100	25	16	64	144	81
